

Pinnacle | Insurance
B R O K E R S & Consulting

Pinnacle Brokers, a division of Foundation Risk Partners of Florida provides expert risk management consulting and brokerage services to a wide variety of business operations. We combine our expertise with a commitment to “servanthood” in delivering comprehensive, creative solutions to the operational and financial risks faced by our clients.

Insuring the Business of Healthcare

Pinnacle’s Managed Care team continues to set the standard for any risk taking health care entity. Our team of brokers, underwriters and claims professionals is on the forefront of providing the information required by these organizations to make insurance and stop loss buying decisions that are aligned with their financial goals.

Delivering Results to the Bottom Line

- EOB Audits
- Pre-adjudication of claims
- Coverage / Deductible Analysis
- Historical Claims Audits
- Direct Access to Markets
